PKISR IN A NUTSHELL

- Enhance situational awareness / early warning and the safety and security of UN personnel
- Inform operations and activities related to the protection of civilians (POC)
- Two basic meanings:
  - PKI acquisition
  - Acquisition management
PKISR Handbook overview:
- An iterative, feedback-based process
- To support staff deployed in PKI roles, including leadership
- To define/explain PKISR-related roles of the various elements within UN peacekeeping operations

Recent timeline:
- PKISR workshops conducted 2019-2020
- PKISR Staff Handbook signed Sep. 2020

Way Ahead:
- PKISR Unit Handbook
- PKISR Training
Thank You!
